vampiric albino squirrels in vinyl number two

Vampiric Albino Squirrels in Vinyl came out back in 1997. It was never intended to have a second issue, let alone start a series, but with this publication it has done both. This issue is thanks in the first place to returning artist Noelani Manawolf, who liked the idea so much that she just kept on drawing vampiric albino squirrels in vinyl even after finishing her contribution for the first issue, and in the second place to returning artist Oscar Marcus, who drew a Countessa Vanessa story when he heard that we were thinking about a second issue. Between the two, we had enough pages of art that we just *had* to publish! And thanks in the third place to all the other artists, returning and new, who stepped forward to help make this the biggest and best Weird Tails yet!

This isn't the last Weird Tails, either! We have already received contributions for *Bunny Jello* and *Rubber Skunks on Sticks*, and we're committed to bringing them out for your enjoyment. Or maybe we're comitted **for** bringing them out... It's hard to tell sometimes.

= FAR AWAY FROM HERE NOW!

HELLO THERE! I'M THE COUNTESSA VANESSA! OH? THAT SO-CALLED VAMPIRE-HUNTER I WAS WITH? ...WELL, HE'S FAR AWAY FROM HERE NOW!

(DON'T WORRY I'M SURE HE'LL BE BACK FOR MORE BEFORE SUNRISE AT THE VERY LEAST!).

BUT ENOUGH OF HIM- I BET YOU'RE WONDERING JUST HOW I CAN GET IN AND OUT OF THIS OUTFIT WHEN THAT YOUNG MAN COULDN'T EVEN BUDGE IT AN INCH?

THE OUTFIT WAS ORIGINALLY FITTED FOR SOMEONE WHO WAS ABOUT 5'5" TALL WITH AVERAGE BUILD (LIKE SAY, WHEN I WAS ALIVE..) NOW THAT I'M ABOUT 5'11" TALL AND REALLY BUILT, IF I DO SAY SO MYSELF, THE ONLY WAY I CAN DON THIS OUTFIT IS IF ASSUME THE FORM OF A CLOUD OF GAS AND MATERIALIZE INSIDE THE OUTFIT!

NOW, WHO WANTS TO SEE HOW THIS OUTFIT HOLDS UP WHEN I DO SOME JUMPING JACKS?

SO. M. 2000
